

WHAT OUR MEMBERS SAY

I've been a member of Strategic Alliance for over eleven years. I credit Strategic Alliance with providing the main source of referral business for me through word-of-mouth advertising. Teaming up with a group of professionals working together was the best decision I could have made.

Johnny Hudson, Basic Training Personal Training

My business has grown tremendously in the ten years I have been a Strategic Alliance member. The relationships I've built in Strategic Alliance are long lasting and far reaching.

Phyllis Strobe, Strobe & Lee Marketing by Design

I can honestly say that Strategic Alliance has introduced me to more contacts and more business - from both within the group and without - than I could have possibly met by working on my own.

Corey Zak, Corzak Interactive

Strategic Alliance has been great for my practice. I've met wonderful people and created the long-term relationships that any doctor wants for his practice. The meetings are fun and effective. Strategic Alliance is the only marketing I participate in that I actually enjoy.

Dr. Wolfgang Shane, Chiropractor

This is a great group—I've belonged to it for over 10 years. It's filled with lots of contagious enthusiasm, and the meetings are always fun. From a business standpoint, it has helped me to develop numerous clients—both fellow members and referrals they have given to me. Also, you can't beat the exclusivity feature included in membership—you'll never be having breakfast with a competitor!

Creating Business

Business by referral is the best possible way to grow your business and make more money. Why not network with an established organization that gets results?
